Wings Over the Wetland on Saturday, October 26, 2019
5:00pm-10:00pm at the John Bunker Sands Wetland Center

Lasso up your favorite Western wear and gallop on over! We’ll serve up authentic chuck wagon comfort food cooked onsite by Buck Reams, serving Rosewood Wagyu Beef. Swing the night away with The Western Flyers Band, get your picture taken with Texas Longhorn cattle, and participate in a live auction featuring speed painter Amy Burkman.

The John Bunker Sands Wetland Center, only 25 miles from downtown Dallas, provides unique water education programs and nature adventures in the middle of the 2,000-acre East Fork Water Reuse Project, managed by our partner the North Texas Municipal Water District. This man-made wetland recycles up to 60 million gallons of water a day while providing crucial habitat for birds, reptiles, fish and mammals including river otters and American bald eagles.

Please consider joining us as a sponsor to continue our important work by donating online at www.wetlandcenter.com/WOW2019.html or complete and return the enclosed form by Thursday, September 5th.

Thank you for your continued interest and generous support of the John Bunker Sands Wetland Center.
