

Jewels of the Air...

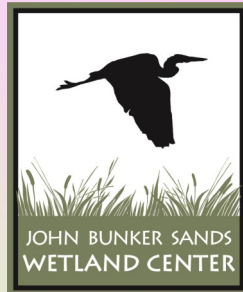

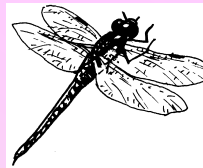

Dragonflies

Saturday, July 7, 2018
10 a.m. - 12 noon

Come and learn about the “Jewels of the Air” with Wetland Steward Tom Fleming. Through photographs that Tom has taken, you will learn about the types of dragonflies found in the wetland, their behavior and their unique anatomy that makes them one of the most amazing insects! After some classroom time, you will go out to look for and identify these jewels for yourself.

Where: John Bunker Sands Wetland Ctr.
655 Martin Lane
Seagoville, TX 75159

Cost: Free with \$5.00 entry fee
Members - Free
