

# JBS in your Backyard Soil Testing in the Yard Activity Sheet

www.wetlandcenter.com

## Test 1: The Squeeze Test

My type of soil  Loam  Clay  Sandy

## Test 2: The Worm Test

How many worms did you see? \_\_\_\_\_

What does this tell you about the soil? \_\_\_\_\_

\_\_\_\_\_

## Test 3: The pH Test

Did the soil react with the vinegar? \_\_\_\_\_

Did the soil react with the baking soda? \_\_\_\_\_

Is the soil acidic or alkaline or neutral? \_\_\_\_\_

Based on the 3 tests, what can you say about the soil you tested?

\_\_\_\_\_
